## Procedures for School Closure WINTER CONTACTS – OCTOBER 2016

If you feel that the school might be closed or that school buses might not run due to adverse weather conditions, please log onto the '**Dorset for you**' website as it will have a list of all schools closed:

<http://mapping.dorsetforyou.com/closedservices/schools>

You will need to refresh this page to see up to date information.

The Local Radio station, 'The Breeze' 96.6-97.4 FM will also be informed of school closures so please tune in for up to date information.

You will receive a **text** from St Mary's if school is closed. If you are unable to access the 'Dorset for you' website, or have not received a text, please then contact the designated 'Contact' for your area – hopefully they will be able to give you the latest information.

Decisions to close the school will be made by:

Mrs. Targett, in consultation with the school Governors.
