Dear Parents/Carers,

**Re: 'Fortnite' Video Game**

You may be familiar with the popular video game Fortnite, the online shooter game. While it's not automatically dangerous, it does carry some risks.

I am encouraging you to look out for your child playing this game and am attaching a factsheet to help you do what you can to keep your child safe. It will help you to feel more informed, decide whether you're happy for your child to play the game, and learn how to set up parental controls.

Yours sincerely
